Subject: Transfer 73811 - Idaho Water Company [IWOV-GPDMS.FID427539]

Dear John:

This is to inform you that Idaho Water Company, Shekinah Industries and Bernard Brown have reached an agreement by which Idaho Water Company will assign Transfer 73811 to Shekinah Industries. Shekinah Industries will be contracting with Bernard Brown for the purchase of Mr. Brown's water rights, which are the subject of Transfer 73811. Mike Preston, who is the principal in Shekinah Industries, intends to press forward with all diligence to complete the transfer process. These parties ask for ninety-days from today's date to complete the documentation of their agreements and ask the Department to confirm that the order rejecting Transfer 73811 will not become final.

Sincerely,

Michael C. Creamer
